Instructions for "Woven Logs" as 15.000 by 15.000 (inches) block, printed from EQ7

That was easy.

1. I sewed top and bottom strips, then left and right strips?
Courthouse steps.

Now what if...

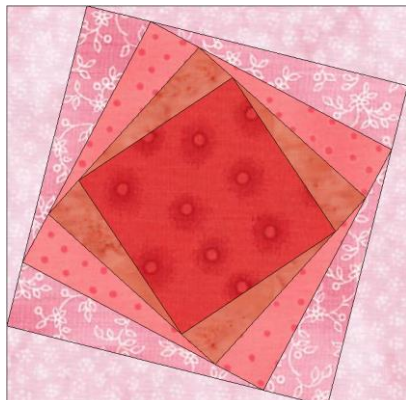

2. I tried a pineapple block?

Instructions at

<http://crazymomquilts.blogspot.com/2014/10/how-to-make-pineapple-block-without.html>

or paper piecing templates at

<http://www.quilterscache.com/P/Pineapple2Block.html>

3. I used triangle logs for a twisted log cabin?
