

Quilters Unlimited August 2016 Block of the Month: North Wind

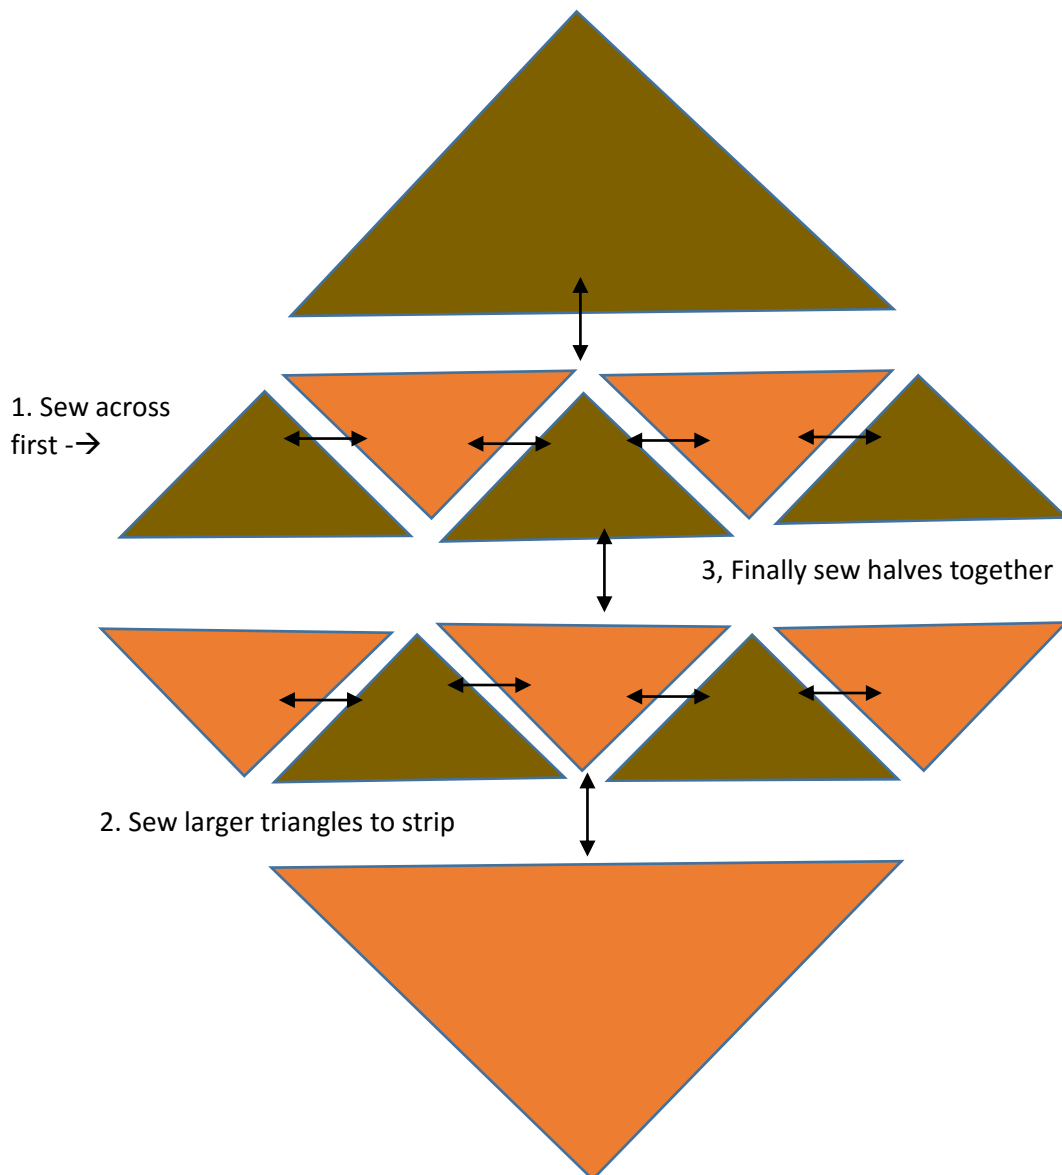

KeyBlock(8/50actualsize)

CuttingDiagrams

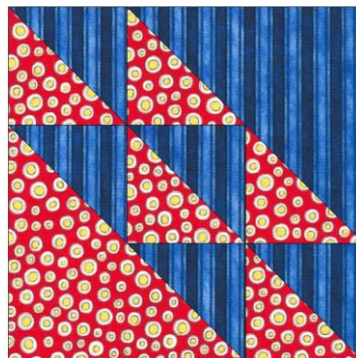

Lay the B triangles out in sets of 5 alternating color and sew the strip. Sew this to the larger triangle, then sew the two halves together.

That was easy.

Now what if... I want to experiment with color or patterns? Why not!?!?
Polka dots, stripes, paisley...

Change the size of the triangles? Tricky math but could possibly be done.
